

I Ain't What I Used To Be

If you like your lovers older, darling, take a chance on me.
If you like your lovers older, darling, take a chance on me.
I'm still pretty good, but I ain't what I used to be.

I'll ask you dance when they play something nice and slow,
Said I'll ask you to dance when the music gets nice and slow,
And I'll look a lot better when the lights are turned way down
low.

If you prefer love that is more mature,
And don't need to hear a lot of verbal manure,
I've been around the block at least once or twice,
But I can't go any further on my doctor's advice.

Why not try a lover who knows how to go with the flow?
I said why not try a lover who knows how to go with the flow?
Come on place all your bets on a ticket for win, place, or show.

If you prefer someone who's not so green,
I could be the best lover that you've ever seen.
Time has made me both wise and old,
If you don't mind hands that are a little bit cold.

I'd beg for a kiss, but it's hard to get down on one knee.
Yeah, I'd beg for a kiss, but it's hard to get down on one knee.
I'm still pretty good, but I ain't what I used,
Still pretty good I just ain't what I used to,
Still pretty good but I ain't what I used to be.
