

You Came To Me

Quiet as a newborn's breathing,
Gentle as a summer shower,
Lovely as a Lotus flower,
You came to me.

Shining like the evening star glow,
Floating like the clouds above,
Riding rainbows colored love,
You came to me

Singing mystic melodies
From a long forgotten song.
Whispering tales of old and saying
Won't you come along?
Won't you come along?

Wiser than the ancient desert,
Swaying like the weeping willow,
Drifting slowly like the snow,
You came to me.

Dancing to a rhythm that is older than the sky,
Rising like a phoenix saying
Won't you come and fly,
Don't you want to fly?

Wiser than the ancient desert,
Swaying like the weeping willow,
Drifting slowly like the snow,
You came to me.
You came to me.
